

CLAIMS

I claim:

1. An odor-eliminating hand scrub for use after handling
5 odoriferous foodstuffs, comprising:

(i) from one part to twenty-four parts by volume, at
room temperature, of magnesium sulfate; and

(ii) from one part to eight parts by volume, at room
temperature, of a carrier oil.

10

2. The odor-eliminating hand scrub of claim 1, wherein
said magnesium sulfate is Epsom salt.

3. The odor-eliminating hand scrub of claim 1, wherein
15 said carrier oil is selected from the group consisting of
extra virgin olive oil, olive oil, corn oil, sesame seed
oil, sunflower seed oil, and flax seed oil.

4. The odor-eliminating hand scrub of claim 1, further
20 comprising from about one to twenty-four drops by volume,
at room temperature, of at least one essential oil.

5. The odor-eliminating hand scrub of claim 4, wherein said at least one essential oil is selected from the group consisting of lavender oil, grapefruit oil, and basil oil.

5 6. The odor-eliminating hand scrub of claim 4, wherein said magnesium sulfate is Epsom salt.

7. The odor-eliminating hand scrub of claim 4, wherein said carrier oil is selected from the group consisting of
10 extra virgin olive oil, olive oil, corn oil, sesame seed oil, sunflower seed oil, and flax seed oil.

8. An odor-eliminating hand scrub for use after handling odoriferous foodstuffs, comprising:

- 15 (i) about nine parts by volume, at room temperature, of magnesium sulfate; and
(ii) about eight parts by volume, at room temperature, of a carrier oil.

20 9. The odor-eliminating hand scrub of claim 8, wherein said magnesium sulfate is Epsom salt.

10. The odor-eliminating hand scrub of claim 8, wherein said carrier oil is selected from the group consisting of

extra virgin olive oil, olive oil, corn oil, sesame seed oil, sunflower seed oil, and flax seed oil.

11. The odor-eliminating hand scrub of claim 8, further
5 comprising about twenty-four drops by volume, at room temperature, of at least one essential oil.

12. The odor-eliminating hand scrub of claim 11, wherein
said at least one essential oil is selected from the group
10 consisting of lavender oil, grapefruit oil, and basil oil.

13. The odor-eliminating hand scrub of claim 11, wherein
said magnesium sulfate is Epsom salt.

15 14. The odor-eliminating hand scrub of claim 11, wherein
said carrier oil is selected from the group consisting of
extra virgin olive oil, olive oil, corn oil, sesame seed
oil, sunflower seed oil, and flax seed oil.

20 15. A method of eliminating a strong foodstuff odor
emanating from hands, comprising the steps of:

providing an odor-eliminating hand scrub;
stirring said hand scrub until it is well-blended;
applying about one teaspoon of said hand scrub to

hands emanating said strong odor;
massaging said hand scrub into hands for about forty-
five seconds to one minute; and
rinsing the hands with lukewarm water.

5

16. The method of claim 15, for removing oil-based paint
from hands.
